

# Hills Heritage™ Hoist

## Pinion Replacement

### Product Manual

**TO SUIT MODELS:**  
**Heritage Hoist 4**  
**Heritage Hoist 5**

### Pack Contents

Part name	Qty.
Pinion	1
Retaining Washer	1
Spring	1
Screw M8 x 45mm CSK	1

**Important:** Support the Hoist securely before undoing the case retaining bolts and nuts. You will require the assistance of another person to perform this task.

**To remove:**

1. Wind down the Hoist to its minimum height
2. Support the upper section and remove the Case Retaining bolts and nuts. Separate the two case halves. Place aside.
3. Hold the Pinion and undo the Handle Retaining screw.
4. Remove the Handle Retaining screw, Pinion, Spring and Retaining Washer. Discard these parts. The remaining parts are to be re-used.

**To replace:**

1. Clean the inside of both cases.
2. Lightly lubricate the Pinion, Retaining Washer and Spring with Vaseline.
3. Align the parts as per diagram. Reassemble Pinion, Retaining Washer and Spring into the handle case.
4. Place the two Cases together around the Top and Bottom Main Standards. Line up the Pinion with the Crown Wheel. Re fit the Thrust washer, Handle and Pinion Cover using the Handle Retaining Screw and tighten. Re fit the Case Retaining bolts and nuts and tighten. Ensure the lugs inside of the cases are located in the holes in the Top and Bottom Main Standards.

Raise the head of the Hoist at least six full turns so that it is free to rotate.

**NOTE:** Never leave the Hoist with the cross and wind brake engaged. Use the brake only when you are pegging out the washing and taking it off.

## Hills Warranty

1. Hills provides consumers with the following warranty in relation to this Product, in addition to complying with the requirements of any relevant legislation, including the Competition and Consumer Act 2010 (Cth) in Australia and the Consumer Guarantees Act 1993 in New Zealand (the **Acts**), except where a New Zealand consumer acquires the relevant Product for the purposes of a business.
2. In this warranty, we have used the following definitions:
  - (a) **Hills, our or we** means Hills Holdings Limited (ABN 35 007 573 417) of 159 Port Road Hindmarsh South Australia 5007;
  - (b) **Products** means the following goods manufactured by Hills (including products manufactured for Hills by its contract manufacturers): **Hills Heritage Hoist Pinion Replacement**;
  - (c) **Material** means a material or component used by Hills in the manufacture of the Products;
  - (d) **Warranty Period** means 1 year from the date of purchase of the relevant Product and, in relation to polycore line, means a period of 1 year from the date of purchase of the Product. If the Product or part (as the case may be) is repaired or replaced, there will be no extension to the original warranty period; and
  - (e) **Workmanship** means the handling, assembly and manufacturing processes performed by or on behalf of Hills in order to manufacture the Products.
3. Hills warrants that for the duration of the Warranty Period, all Products will be free of faults arising from defects in Workmanship or Materials, on the terms and conditions set out in this warranty.
4. Hills undertakes that if during the Warranty Period any Product, or any part of a Product, has failed to operate correctly due to faulty Workmanship or defective Material, it will repair or replace the Product or part (as the case may be) free of charge provided that the following procedure is met:
  - (a) The consumer must contact Hills upon becoming aware of any defect to a Product. The contact details for Hills are set out in this warranty and under the heading "Hills Contacts".
  - (b) Following consultation with Hills, Hills will determine whether there is a defect, and if so Hills agrees to (at Hills' option):
    - i. in the case of goods – repair, replace or supply equivalent goods, or pay the cost of any of those remedies to the consumer; or
    - ii. in the case of services – supply the services again or pay the cost of having the services supplied again.
  - (c) If Hills requests the return of the applicable Product or part, Hills will be responsible for the collection and freight costs of returning that Product or part. The consumer agrees to assist Hills with any reasonable request to enable Hills to collect such Product or part.
  - (d) Hills also agrees to be responsible for the freight costs to deliver any new Product or replacement part to the consumer.

## Warranty and Contact Details

5. This warranty is in addition to any non-excludable legal rights or remedies conferred on the consumer under any applicable Act and any similar laws. To the extent permitted by law, Hills' liability for any non-excludable condition or warranty is limited to rectifying any defect at its option, as set out in paragraph 4(b).
6. Subject to the requirements of any applicable Act or legislation and to the extent permitted by law, no liability (whether expressed or implied) of any nature whatsoever, is accepted by Hills for any consequential loss, damage or injury arising as a result of any fault in the Products.
7. This warranty does not extend to damage to Products which occurs during transit or transportation, or which is caused by any abuse, accident or improper installation, connection, use, adjustment or repair or use of goods otherwise than in accordance with instructions issued by Hills.
8. The warranty on Products is waived if any addition or attachment to the Products do not have Hills' specific approval or are not sold as Hills products. The Products are designed to perform specific tasks under established test loads and unauthorised attachments may produce stresses for which the design is not appropriate.
9. The following applies to consumers who purchased a relevant Product in Australia:

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage.

You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
